The information provided below is in the electronic health record. If you believe any data is incorrect, please notify the office via secure messaging from this Portal. Please contact your provider if you have any questions.

What it says on the Portal	What that means
Detected	Positive Result
Not Detected	Negative Result
Positive	Positive Result
Negative	Negative Result
Invalid	Test should be recollected
Negative at Seacoast Pathology	Negative Result
Positive at Seacoast Pathology	Positive Result
No information Recorded	No test has been performed or test has been performed, but the result is not available yet

From a computer:

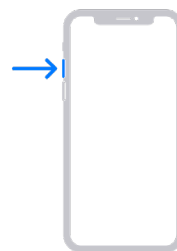

[Printing from a phone is not always possible and printing from a computer is the preferred method]

- In a browser, visit **myNorthernLightHealth.org**
- Sign in
- In the navigation bar on the left, click on “COVID Center”
- Click the Print button at the top right of the screen and follow the prompts

From a mobile device such as a smartphone:

- In a browser, visit **myNorthernLightHealth.org**
- Sign in
- Click on 3 bars on top left of screen
- Select “COVID Center”
- Print:
 - ✓ Click on the “Share” icon 
 - ✓ Scroll to choose “Print” icon 
- OR, save a screen shot to your camera roll or share image via short cut or e-mail then print.

To take a screenshot on an iPhone without the Home button:

1. Make sure that your iPhone is displaying whatever it is that you want to screenshot.

2. Press the Power button on the right side of your phone and the Volume Up button on the left at the same time.

Take a screenshot on Android

- Press the Power and Volume down buttons at the same time.
- If that doesn't work, press and hold the Power button for a few seconds. Then tap Screenshot.
- If neither of these work, go to your phone manufacturer's support site for help.
