You will be asked if you have insurance of any kind to help pay for your care. You may also be asked to show that insurance or a government program will not pay for your care.

Financial assistance or free care is only available for medically necessary services.

If you do not qualify for free care you are entitled to ask for a fair hearing. We will tell you how to apply for a fair hearing.

Patients also are entitled to a 3% prompt pay discount on all self-pay balances paid within 14 days of the first statement date.
