*Eastern Maine Medical Center designates this live activity for a maximum of (number of credits listed above) AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Eastern Maine Medical Center is accredited by the Maine Medical Association’s Committee on Continuing Medical Education to provide Continuing Medical Education (CME) to practicing physicians.*

Any changes that occur will be updated. For any questions regarding the calendar, please call 973.7303 or 973.7307.
Talent and Diversity Workshops

Talent and Diversity Workshops for NLEMMC will resume in September 2020

Eastern Maine Medical Center designates this live activity for a maximum of (2.75) AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Eastern Maine Medical Center is accredited by the Maine Medical Association’s Committee on Continuing Medical Education to provide Continuing Medical Education (CME) to practicing physicians.

*Please note: Non-EMMC participants will need to contact the Medical Education Department for a CME certificate of attendance @ spomeroy@emhs.org

Intranet: http://education.emmc.org/register.aspx
Our Human and Mammalian Genetics and Genomics: The 61st McKusick Short Course (July 20-30) will be offering up to 34.5 AMA PRA Category 1 Credit(s)™. The virtual format of the course allows for attendees to watch the majority of lectures on demand on their own time, and access to materials will be available until September 30, 2020.

We are excited to offer special pricing of $30 registration to Maine clinicians, genetic counselors and nurses to attend. This is a great opportunity for researchers, physicians and genetic counselors who want an extensive exposure to human and mouse genetics. Topics include the human molecular genetics, diagnoses and treatments of inherited diseases, genomic and epigenetic analyses and regulation of gene function, the genetics of cancer and cancer immunology, the genetics of susceptibility to infectious diseases including COVID-19 (SARS-CoV-2), and experimental genetic models of disease. For more information including the full schedule, please visit the course website.

Please feel free to pass this special offer onto any interested parties.

To register at the special $30 Rate please:

- Register online at https://register.jax.org/virtual-McKusick60
- At checkout page, please enter discount code “Maine2020”
